MEET and GREET Community Welcome

Featured Speaker: Barbara Bry, new City Councilwoman-elect

Where: Community Planning Board, (TPCPB) at the regular general meeting

Date and Time: December 8th, 2016, 7-9pm, Del Mar Academy on Mango Dr.

Everyone is invited to attend. This is your opportunity to participate in Q & A at this meeting.

Reminder:

- You have a great opportunity for community action, input, planning, a voice in your community's land projects and other issues.
- Your TPCPB reviews, recommends or rejects land projects, traffic issues, mosquito control of Los Penasquitos Lagoon, and other concerns of this unique community.
- Residents who want to participate in this process and have influence over the community character, new and remodel builds as well as general neighboring issues are welcome to come to our meetings and join in our enterprise.

The City is required to consider our concerns, suggestions, and input for land projects and associated items of all our concerns.

Del Mar Heights Road Enhancement subcommittee is working on transforming the entrance to our whole area for aesthetics and better safety.

Public hearings will be held before proceeding for input from the entire community.

Board Elections are in March 2017. Eligibility to run for a seat on the Board is attendance at three meetings. There is time to meet the three-meeting requirement with the election meeting included as one of the three meetings.

Questions can be directed to our Chair, Noel Spaid, at nspaid@san.rr.com.

TPCPB general board scheduled meetings are on the second Thursday of the month, 7-9pm at Del Mar Academy on Mango Drive.

All public is welcomed and may speak, may bring their concerns at the public speaking part of the meeting, and see your community planning group in action.

We welcome new members from our community to join and run for a seat on the Board.

It is a fun, active way to participate in your own community, assist in improvement, and contribute to ensuring the liveliness, beauty and cohesiveness of such an outstanding area.
