Action: Decision(s) that need to be Planned Out ‘NOW’

We have been informed that the July 26 Traffic Study has been pushed off until Year-end 2019 per Justine Murray. Plans will show different alternatives –“allow discussion within the Community to decide which alternative is preferred.” Since CIP funding was dropped from City Council D1 plans, where is the funding coming from? Does, in all likelihood, a Ballot Measure need to be provided? If property tax assessment base is used, local businesses will control vote, not local residents.

Timing, available space is at a premium especially January 2020 (school closure). TPCPB election is in March 2020 and new officers by April 2020.

Adjournment: at 7:15 PM - of PRC

NOTE: Times assigned for each item are approximate. Agenda items/order are subject to modification at beginning of meeting at the discretion of the Chair. Any item may be pulled from Consent Agenda and added to a future Board agenda by request. To request an agenda in alternative format - sign language, oral interpreter or Assistive Listening Devices (ALDs) - please contact the Planning Department at (619) 236-6879 five (5) working days prior to the meeting to insure availability.
